

FISHGUARD COMMUNITY FRIDGE

FOR MEMBERS OF THE PUBLIC DONATING FOOD
**Thank you for donating food to the Fishguard
Community Fridge!**

WHAT YOU NEED TO KNOW

**By donating food to the Fishguard
Community Fridge you are
agreeing to the following points:**

- ✓ I will only donate food that is the 'We Can Accept' list.
- ✓ I will only donate food that has not yet reached their 'use by' date
- ✓ I will only donate food that is within 12 months of its 'best before' date
- ✓ I will place the food in the fridge or shelving area appropriately to avoid contamination.
- ✓ I am donating food because I cannot use it personally and I cannot or don't want to sell it, not because it has become unfit for human consumption.

How to donate food:

- ✓ Check that the Food can be accepted.
- ✓ Weigh your item on the weighing scales.
- ✓ Log the item given to the fridge on the Logging in Form.
- ✓ Separate food types so that ready to eat foods are in the top half of the fridge and salad, fruit and veg in the bottom half - to reduce the risk of cross contamination.
- ✓ Place non-perishable items on appropriate place on the shelves.

- ✓ Unpackaged food such as vegetables or bread must be placed in clean plastic bags, boxes or crates.
- ✓ The fridge does not accept raw meat, raw fish, raw poultry.
- ✓ I will not donate food that requires refrigeration if has been stored above 8°C.
- ✓ Any cooked food that I donate has not been previously reheated, and has been cooled down within 1 hour and refrigerated immediately after.
- ✓ Any previously frozen food that I donate has not been defrosted and subsequently refrozen.
- ✓ I will label any prepared food that does not have a 'use by' date, stating
 - ✓ the ingredients including any allergens,
 - ✓ when it was donated,
 - ✓ when it must be used by (for previously cooked food this will be 24 hours from the point when the food was chilled), and
 - ✓ whether it is safe to reheat or freeze
- ✓ I will place the food in a suitable food grade container.
- ✓ I am donating food because I cannot or don't want to sell it, not because it has become unfit for human consumption.
