MOVING COMMUNITIES TO A GREENER FUTURE

PWERU'R DYFODOL
Pa mor Wyrdd Allwn Ni Fod?
Yn galw plant a phobl ifanc

Cystadleuaeth celf – 4-8 oed / blynyddoedd ysgol R- Bl3

Dyma ein tyrbin gwynt yn gwneud trydan gwyrdd. Rydyn ni'n dweud ei fod yn wyrdd oherwydd nid yw'n achosi unrhyw lygredd. Mae'r trydan yn mynd i mewn i'r 'grid' sy'n anfon trydan o amgylch y wlad, felly pryd bynnag y byddwch yn defnyddio trydan, gallai rhywfaint ohono ddod o'n tyrbin.

Sut mae ein tyrbin gwynt yn gwella pethau i chi neu i'n hardal? Dangoswch i ni mewn llun. Bydd y lluniau yn cael eu harddangos yn Neuadd y Dref Abergwaun ym mis Tachwedd. Bydd dwy wobr o daleb Seaways gwerth £20 i brynu rhagor o nwyddau celf. Bydd un yn cael ei ddewis gan ein beirniaid ac un drwy bleidlais gyhoeddus.

Gall eich llun fod o unrhyw faint hyd at A3. Ysgrifennwch eich enw, oedran ac ysgol ar y cefn. Gall eich athro gasglu lluniau i'w hanfon atom. Fel arall gallwch ei anfon eich hun i TBG Art Comp, 8a Ffordd y Cwm, Abergwaun, SA65 9HH erbyn 28 Hydref. Cyhoeddir yr enillwyr yn nigwyddiad Pweru'r Dyfodol TBG ar 7 Tachwedd 2024, yn Neuadd y Dref Abergwaun.

Cystadleuaeth ysgrifennu – 8-16 oed / blynyddoedd ysgol B4 – B11

Rydym am gynhyrchu digon o ynni adnewyddadwy i bweru Abergwaun ac Wdig i gyd erbyn 2035, gan arbed arian i bobl leol. Ond pa mor wyrdd allai ein hardal fod? Rydym eisiau eich syniadau ar ffurf stori neu ddarn o ysgrifennu disgrifiadol, yn Gymraeg neu yn Saesneg. Bydd gwobr o docyn llyfr o £20 ar gyfer pob categori:

Bl 4-6 yn Saesneg	Bl 4-6 yn Gymraeg
Bl 7-11 yn Saesneg	Bl 7-11 yn Gymraeg

Gall eich athro drefnu casglu ac anfon eich stori atom. Fel arall, anfonwch hi naill ai drwy e-bost at enquiries@transitionbrogwaun.org.uk neu drwy'r post/ drwy'r blwch llythyrau i TBG Story Comp, 8a Ffordd y Cwm, Abergwaun, SA65 9HH erbyn 28 Hydref. Dywedwch wrthym eich enw, oedran ac ysgol (fel y gallwn gysylltu). Cyhoeddir yr enillwyr yn nigwyddiad Pweru'r Dyfodol TBG ar 7 Tachwedd 2024, yn Neuadd y Dref Abergwaun.

Mae 2035 11 mlynedd i ffwrdd. Pa mor hen fydda i?

Pa mor wych y gallai fod i fyw yma?

Beth ddylai ddigwydd? Pwy fydd yn ei wneud a sut? A fydd problemau?

Eich syniadau gwyrdd - 16-25 oed

Rydym eisiau gwneud ein hardal yn gynaliadwy – lle da i bobl a natur fyw, heb niweidio'r blaned na'n dyfodol. Nod TBG yw cynhyrchu digon o ynni adnewyddadwy i bweru Abergwaun ac Wdig i gyd erbyn 2035, gan gadw arian yn yr ardal a helpu i leihau biliau pobl. Beth sy'n bwysig i chi? A oes gennych chi syniad da ar gyfer yr ardal y gallem ei gefnogi, naill ai drwy weithio gyda chi i'w gyflawni, neu drwy helpu i hyrwyddo eich prosiect. Dangoswch eich syniad i ni mewn fideo byr, wedi'i anfon erbyn 28 Hydref i enquiries@transitionbrogwaun.org.uk

TRANSITION BRO GWAUN
MOVING COMMUNITIES TO A GREENER FUTURE

POWERING THE FUTURE
How Green Can We Get?
Callout to children and young people

Art competition – age 4-8 / school years R- Y3

This is our wind turbine making green electricity. We say that it's green because it doesn't make any pollution. The electricity goes into the 'grid' that sends electricity all around the country, so whenever you use electricity, some of it could be from our turbine.

How does our wind turbine make things better for you or for our area? Show us in a picture. The pictures will go on display in Fishguard Town Hall in November. There will be two prizes of a £20 Seaways voucher to buy more art supplies. One will be picked by our judges and one by public vote.

Your picture can be any size up to A3. Write your name, age and school on the back. Your teacher may collect up pictures to send to us. Otherwise you can send it yourself to TBG Art Comp, 8a Main Street, Fishguard, SA65 9HH by 28 October. Winners will be announced at TBG's Powering the Future event on 7th November 2024, at Fishguard Town Hall.

Writing competition – age 8-16 / school years Y4 - Y11

We want to generate enough renewable energy to power the whole of Fishguard and Goodwick by 2035, saving money for local people. But how green could our area get? We want your ideas in the form of a story or piece of descriptive writing, in Welsh or in English. There will be a prize of a £20 book token for each category:

Year 4-6 in English	Years 4-6 in Welsh
Years 7-11 in English	Years 7-11 in Welsh

Your teacher may arrange to collect and send us your story. Otherwise, please send it either by email to enquiries@transitionbrogwaun.org.uk or by post/ through the letterbox to TBG Story Comp, 8a Main Street, Fishguard, SA65 9HH by 28 October. Tell us your name, age and school (so that we can get in touch). Winners will be announced at TBG's Powering the Future event on 7th November 2024, at Fishguard Town Hall

2035 is 11 years away. How old will I be?

How great could it be living around here?

What should happen? Who will do it and how? Will there be problems?

Your green ideas - age 16-25

We want to make our area sustainable – a good place for people and nature to live, without harming the planet or our future. TBG's target is to generate enough renewable evergy to power the whole of Fishguard and Goodwick by 2035, keeping money in the area and helping reduce people's bills. What's important to you? Do you have a good idea for the area that we could support, either by working with you to carry it out, or by helping champion your project. Show us your idea in a short video, sent by 28 October to enquiries@transitionbrogwaun.org.uk
